General Counsel

2 November 1982

NOTE FOR: Executive Director
Director/OEXA ✓

I have been asked by Jack Landau, Director of the Reporters' Committee for Freedom of the Press, to appear at an off-the-record conference with their Board of Directors on 16 November. Landau said a number of the members, all veteran reporters who know of me because of my prior government work and have a high regard of me, have requested that I appear so that they can get my views of the FOIA. I told Landau that with appropriate approval I would attend.
